

SPEEDSTER®

Carpet Extractors 1000DX200/500-CAN

Combined with user-friendly features and a competitive price, Mytee's Speedster is THE carpet extractor to tackle the toughest jobs - whether it's commercial/residential carpet, upholstery, or tile & grout cleaning. You can't go wrong by adding the hard-working 1000DX-200/500 Speedster carpet extractor on your team. Each Speedster has waist-high controls and bucket-high drains to reduce bending and increase workflow efficiency.

The Speedster line of carpet extractors are powerful, portable, user-friendly and affordable. They have features that set them apart from the competition. Mytee extractors are made in the USA and covered by the strongest warranty in the industry. Take on any job with confidence utilizing the Speedster's combination of power and versatility.

Depending on your requirements, these extractors are equipped with either a 220 PSI demand pump, or an adjustable 500 PSI Pumptec pump.

Features & Specifications:

- 10-gallon capacity solution & waste tanks
- Efficient dual 2-stage vacuum motors provide maximum suction and airflow to clean and dry carpets fast
- Powerful 220 PSI demand pump OR 500 PSI Pumptec pump (adjustable 50-500 PSI)
- User-friendly aluminum handle for easy loading and unloading
- Clear & easy-to-open vacuum tank lid, with high waste valve outlet
- All controls located at top of machine to reduce bending (switches, regulator, and vacuum/solution connections)
- Durable roto-molded polyethylene that resists rusting and denting
- 10" semi-pneumatic rear wheels and 4" locking front casters for maximum portability, even on stairs
- Single detachable & lighted 50' 12/3 twist-lock power cord

Optional Accessories Include:

- Double bend 2-jet stainless steel wand
- 25-foot vacuum & solution hose assembly
- 4" stainless steel hand tool
- Transport tray for convenient accessory storage
